

**part 1:**

**DISTRESS SIGNALS**

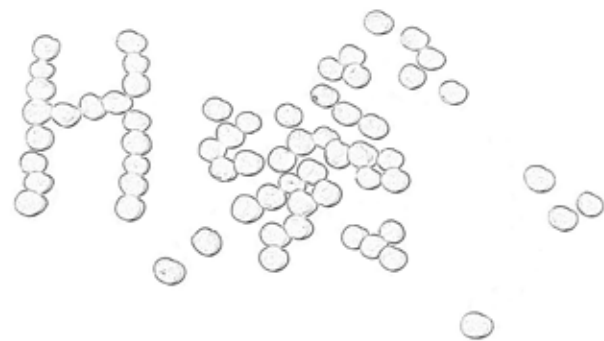

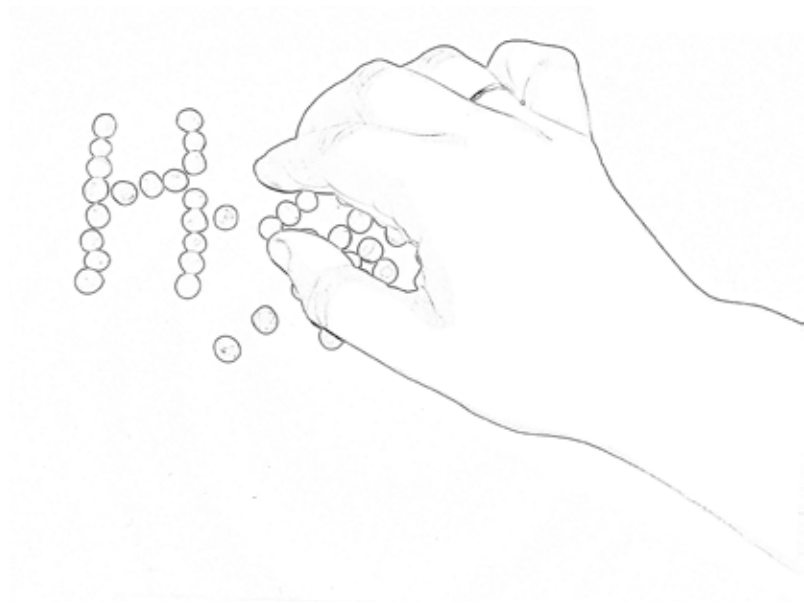

Is everything ok?

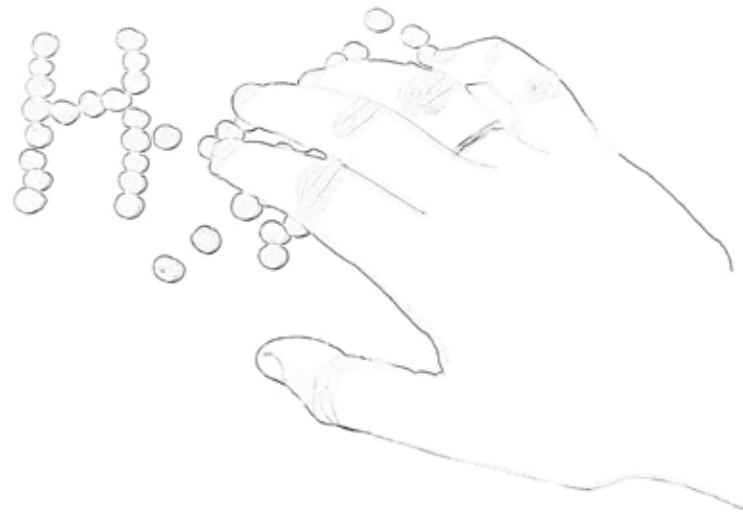

Are you alright?

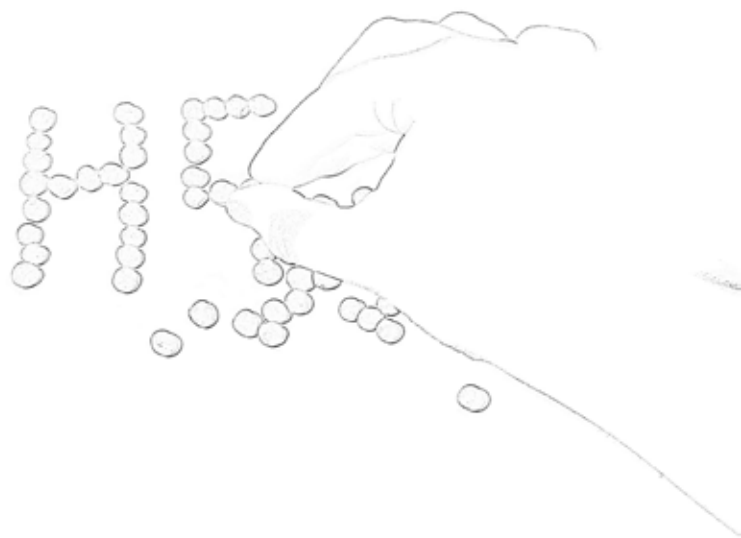

Has something happened?

Is it Matthew?

What's happened?

Something bad?

Ok, do you want me to come round?

Look, I'm getting in the car right now.

I'm going to drive over and come and get you.

Just pack a bag, just some stuff.. I'll come and get you.

HELP

I'll be there as soon as I can.

**low profile** are rachel dobbs & hannah jones. they have been working in collaboration since 2003 to make live art and performances. they are currently based in plymouth, uk.
