DRY RUN part 4: MacGyver'thon

DRY RUN part 4: MacGyver'thon

Instruction:

- You must watch a selected series of the hit 80's TV show MacGyver – watching episodes back to back, for 18 hours and in front of an audience.
- During the performance, useful information will be extracted and catalogued – collecting the countless rolls under a door, ways of escaping burning buildings, ways of fooling the guard, disarming the alarm system and essentially, numerous ways to save the day.
- Use this information to build an alternative guide of how to respond to every eventuality.
- The performance is over when the entire selected series has been watched and the final credits have rolled.
